

# Make Me A Believer

Yelawolf

You said I know I get it all, yeah, I bet  
I don't believe ya  
Alright, yeah, okay now  
In your mind, you think you can handle it all  
I wanna see ya, alright, yeah, okay now  
Set up your target  
Blame every mistake you made on the luck of a losing  
Still bruised from every fight your choosing  
Pick a side pick up a gun and shoot it

(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer

In your mind you  
Must be the bossman don't you  
Feel like a cheater  
Alright, yeah, okay  
Whatever man, big checks  
Got gloves you caught that sunset  
Oh what a leisure  
Alright, yeah, okay now  
Rented Lamborghini for that Hollywood livin  
Another night on a thousand count linen  
Wouldn't drop a dollar to save your momma  
But ... fuck em' all long as the team is winning

(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer

Low down no good  
I'm just a white trash no good  
But your the deceiver  
Alright, yeah, okay now  
Bad boys tattooed whiskey drink all-day drug use  
I'm a receiver  
Damn right, yeah, okay now  
At the club with the promiscuous women  
Cigarette smoke and cocaine sellin  
I'm may be the child of a man in prison  
But at least I ain't no goddamn gimmick  
Reasons of rock and roll music and why I preach against it, I believe  
With all of my heart that it is  
A contributing factor to our juvenile delinquency of today, uh the evil  
The feeling that you feel when you sing it

(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)

Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer  
(Ahhhhh)  
Yeah  
Make me a believer
