

# Sometimes Y

Yelawolf

We are go for main engine start  
All systems initiated  
10, 9, 8, 7, 6, 5, 4, 3, 2, 1  
And sometimes y, sometimes y, sometimes y  
Yeah

I gave everything up when I came to that corporate room  
But given up my last okay wasn't good enough for you  
When I walk away I'm leaving every bit of shit you polished too  
Bitch I had enough I paddled of the creek  
I'm 30 deep and heavy and I'm battle ready  
Saddle up the Chevy I'm gone

Ahhh  
Yeah

I don't care about that frame  
You can take that picture down  
If you ain't got nothin' good to say  
Well then just don't come around  
I'll tell you just how I feel  
Baby that's how I get down  
Bitch I had enough I paddled of the creek  
I'm 30 deep and heavy and I'm battle ready  
Saddle up the Chevy I'm gone

Ahhh  
Yeah

They said let that freedom ring and that liar was a joke  
I can't listen to them clowns caught in that circus show  
If you believe what they tell you to believe then that's control  
Bitch I had enough I paddled of the creek  
I'm 30 deep and heavy and I'm battle ready  
Saddle up the Chevy I'm gone

I've been kissed  
Kissed by the stars  
And I might've kissed some ass  
But there's nothing  
Nothing in the world  
Like a kiss  
From your momma's mustache

I don't give a damn about  
What you thinking about me  
Judging through that looking glass  
As far as you can see  
Don't let that door hit you  
Where the good lord split you when you leave  
Bitch I had enough I paddled of the creek  
I'm 30 deep and heavy and I'm battle ready  
Saddle up the Chevy I'm gone
