Yella Beezy

(Ain't that DJ Chose over there? Mmm, look like DJ Chose)

You know that I'm active  
I'm where that check at, bitch, I gotta have it  
Count up these billions and sleep on a pallet  
You wanna run it? Bitch, catch me in traffic  
Boy, you a bitch, you ain't havin' no motion  
Lil' mama wet like a pool, somethin' like an ocean  
I'ma buy her a purse 'cause that pussy the coldest  
Act a fool on IG, but I really ain't social

Ain't havin' no motion  
I know you niggas ain't havin' no motion  
I see your pictures and how you be postin'  
But I know you niggas ain't havin' no motion  
Ain't havin' no motion  
I know you niggas ain't havin' no motion  
Your bitch ain't like my bitch and your bitch is bogus  
I know you niggas ain't havin' no motion

Ain't havin' no motion, you stuck in one place  
These pussies be jealous, can see in they face  
Ain't readin' them comments, so can't see the hate  
I be chasin' that bag, so I'm stayin' up late  
I'm on my grind, I ain't goin' on dates  
My bitch lookin' good, wanna see how it tastes  
Let me fuck from the back, let me see how it shake  
I ain't takin' no breaks, I ain't takin' no breaks  
I'm on the gas, my whole leg on the brake  
Banana clip for a nigga tryna act an ape  
Gone off the drank, 'bout to pour me an eight  
It ain't my birthday, but I count up the cake  
Give a fuck if they hate  
Stuffin' these bags in the safe  
My lil' bitch wet like a lake  
Drop the top in the Wraith  
Ain't savin' these niggas or bitches, lil' Yella ain't wearin' no cape

You know that I'm active  
I'm where that check at, bitch, I gotta have it  
Count up these billions and sleep on a pallet  
You wanna run it? Bitch, catch me in traffic  
Boy, you a bitch, you ain't havin' no motion  
Lil' mama wet like a pool, somethin' like an ocean  
I'ma buy her a purse 'cause that pussy the coldest

Ain't havin' no motion

Ain't havin' no motion  
I know you niggas ain't havin' no motion  
Your bitch ain't like my bitch and your bitch is bogus  
I know you niggas ain't havin' no motion

Niggas ain't, these niggas ain't movin' like me

Nah, these niggas can't do it like me  
Flip these bags and get to it like me  
Say, if I can't do it, who do it like me?  
They ain't even gotta prove it like me  
Got a lot of problems, stay cool like me  
Who gon' break that bitch back, act a fool like me?  
Keep a lot on my plate and get food like me  
These niggas be bitches, these hoes be actin' like niggas  
Want pressure? Well, that's what I give 'em  
I'm thuggin', I'm livin'  
These pussies be hatin' how I'm livin'  
Plus all of my niggas be winnin'  
Winnin' and winnin'  
It's pressure, we spinnin' and spinnin'  
Spinnin' and spinnin' and spinnin'  
Stack them bands to the ceiling  
Say, lil' bitch, get out your feelings  
If these niggas play, then we gon' kill 'em, drill 'em, get 'em

You know that I'm active  
I'm where that check at, bitch, I gotta have it  
Count up these billions and sleep on a pallet  
You wanna run it? Bitch, catch me in traffic
