Hey...

I keep it I keep it G from the dawn to the dusk  
To be honest with you, it's hard for me to love  
Say with me it'll be love, then it's love  
And I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust

Ayy, what the fuck?  
Nigga tryna figure out what is trust?  
Back then a nigga had feelings  
But now I don't know if it's love or lust  
Ayy, when I was comng up (Yeah?)  
Me and my nigga, we was running stuff  
Mama said she knew I was gon' be a problem  
When that thing in my pants started jumpin' up  
Ayy, hopped off the porch, had to stack my cheese  
Couldn't trust nobody, had to stack my weed  
Everywhere I went, had the strap on me  
My bitch wanna be affectionate, but that's not me  
Goddamn, why they wanna cap on me?  
'Cause a young nigga got the sack on me?  
Ayy, back in the day I used to go for cup  
Now a nigga up and a nigga stuck on E  
Ayy, you see how them tables turned  
Had to zip my heart up, now I'm standing firm  
Go bro, you're not a ho, gon' be down to be burn  
I used to trip with my partners when I was slangin' sherm  
Gotta cut these hoes off so these bops can learn  
I swear nigga, I'm straight like I rock a perm  
Bitch, I stay in the cut like lots of germs  
Taking shots at the kid, you got lots of nerves (Goddamn)

I keep it I keep it G from the dawn to the dusk  
To be honest with you, it's hard for me to love  
Say with me it'll be love, then it's love  
And I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust

Ayy, ayy, is you with me or against me? Gotta pick one  
Ain't got goddamn time to be watching my back  
If I feel played then I'm gon' clip something  
Yeah, I got trust issues, no, I don't trust niggas  
Nigga got killers in the back, gon' rip somethin  
Hell nah, I don't trust bitches, nah, I don't trust bitches  
Go'n bring the sack to a nigga, let me pimp somethin'  
Rollin' them lil' ass blunts, tryna skimp somethin', hey  
Beat it from the back, yellin' kill somethin'  
Been fuckin' this bitch for a long, long time  
She ask do I got feelings? I don't feel nothin', hey

Nigga talk tough, ain't drill nothin'  
How you say you a jacker, you ain't peel nothin'?  
Nigga picked up my hearse, tryna take him off the Earth  
But yeah, pussy nigga, I'm still coming  
No battle of the band, a nigga still drummin'  
I'm a fresh prince like Uncle Phil comin'  
Nigga can't be around me, you ain't kill for me  
I ain't worried 'bout buddy but it's still fuck him, hey  
And I'll still up the steel on him  
And I still got steel for your lil' homie, hey  
Nigga's heart cold 'cause they flipped on me, yeah  
Flex on a bitch nigga, drip on him, yeah, yeah yeah

I keep it I keep it G from the dawn to the dusk  
To be honest with you, it's hard for me to love  
Say with me it'll be love, then it's love  
And I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust  
What is trust? What is trust? What is trust?  
Ayy, I cannot lie, it's hard for me to trust
