

Distant Solution

Yello

I see
And I feel
I lead into the rivers of love
And to the skies above
Can't get enough of your love

I see
And I feel
I lead into the rivers of love
And to the skies above
Can't get enough of your love

Si
Como quieras, como veas, de ir
Ay si, cuando veas lo que veas para mi

Te quiero, te quiero
El dueño, sueño

I see
And I feel
I lead into the rivers of love
And to the skies above
Can't get enough of your love

El dueño, sueño
Deseo, te veo
(I see) Te siento, te quiero
Tan fuerte, te sueño
(And I feel) Te quiero, te quiero
Deseo, te veo

I lead into the rivers of love
And to the skies above
Can't get enough of your love
