

All my bitches stay geeked up, freaked up
All my bitches stay geeked up, freaked up
All my bitches stay geeked up, freaked up
All my bitches stay geeked up, freaked up (okay okay okay one more time, I'm ready)
All my bitches stay geeked up, freaked up, bling'd up, bling blow, trees loud, cheeks out
We don't give not one fuck, two fuck, in fact I'm drunk, try me, run up
All my bitches stay geeked up, freaked up, bling'd up, bling blow, trees loud, cheeks out
We don't give not one fuck, two fuck, in fact I'm drunk, try me, run up

We don't give not one fuck, two fuck
Not one fuck, two fuck
In fact I'm drunk, try me, run up
And we don't give not one fuck, two fuck
Not one fuck, two fuck

All my bitches stay geeked up, freaked up
All my bitches stay geeked up, freaked up (what did he say)
All my bitches stay geeked up, freaked up, bling'd up, bling blow, trees loud, cheeks out
We don't give not one fuck, two fuck, in fact I'm drunk, try me, run up
All my bitches stay geeked up, freaked up, bling'd up, bling blow, trees loud, cheeks out
We don't give not one fuck, two fuck, in fact I'm drunk, try me, run up

And we don't give not one fuck, two fuck
Not one fuck, two fuck
Not one fuck, two fuck
Not one fuck, two fuck
And we don't give not one fuck, two fuck
