

Gwan

Yellow Claw

My name came up pull up the sounds
Moving when I was not around
My name came up pull up the sounds
Moving when I was not around
My name came up pull up the sounds
Moving when I was not around
Certain people that I know
They all know I'm gonna bounce

Why do you move like that
Why you want me gone
Why you wanna act like that
Why you playing hard

I see their eyes
Covered rolled with ice
Get in the gallas
Dope shmeling in the dellas

I see their eyes
Covered rolled with ice
Get in the gallas
Dope shmeling in the dellas

I see their eyes
Covered rolled with ice
Get in the gallas
Dope shmeling in the dellas

My name came up pull up the sounds
Moving when I was not around
My name came up pull up the sounds
