Yellow Claw

Hey, hey, hey  
Hey, hey, hey

Let your hair down  
Let your hair swing  
Imma start a riot  
Yeah I'm bout it, bout it  
Let your hair down  
Let your hair swing  
Imma start a riot  
Yeah I'm bout it, bout it

Wave your hands in the air  
Say that you the truth  
Loudest motherfucker in the room  
Wave your hands in the air  
Say that you the truth  
Can't nobody party like you  
Wave your hands in the air  
Hands hands in the air  
Wave your hands in the air  
Hands hands in the air  
Wave your –  
You the loudest motherfucker in the room

Y'all rich and fancy  
Plus somebody reckless  
Flexing on you haters  
Hope you get the message  
I came with the bass  
I'm applying pressure

Wave your hands in the air  
Say that you the truth  
Loudest motherfucker in the room  
Wave your hands in the air  
Say that you the truth  
Can't nobody party like you  
Wave your hands in the air  
Hands hands in the air  
Wave your hands in the air  
Hands hands in the air  
Wave your –  
You the loudest motherfucker in the room
