A little drop
So I can see
I'm trippin out

A little drop
So I can see
I'm trippin out
On LSD

A little drop
So I can see
I'm trippin out
On LSD

A little drop
So I can see
I'm trippin out
On LSD

A little drop
So I can see
I'm trippin out
On LSD

A little drop
So I can see
I'm trippin out
On LSD

A little drop
So I can see
I'm trippin out
On LSD...
