

Pipe It Up

Yellow Claw

Pull up in the whip
Get ghost like phantom
Ripped too hard
Many souls can't stand it
Came with a IG model, found it
Poked in the bathroom, all on the counter

I was up top with the blokes not speakin'
Biggest lip like this ain't leakin'
Head downtown and I ran to a frequent
Blew my hat, tryna talk, I'm peekin'

I walk into the club, I gotta pipe it up
I gotta turn it up
I walk into the club, I gotta pipe it up
I gotta turn it up

I walk into the club, I gotta pipe it up
I gotta turn it up
I walk into the club, I gotta pipe it up
I gotta turn it up

Pull up in the whip
Get ghost like Phantom
Ripped too hard
Many souls can't stand it
