Don't act up [x6]

Don't act up
Push your back up
This is the opportunity to get that ass up
You wanna get wild
Get wild
Take it from the sky to the ground

This is the opportunity to get that ass up
You wanna get wild
Get wild
Take it from the sky to the ground

This is the opportunity to get that ass up
You wanna get wild
Get wild
Take it from the sky to the ground
Right now
