

Summertime

Yellow Claw

I don't know why, but this feels like summertime
I laid at night, with you standing by my side
Maybe it's the lights, or the walk, touch, your skin on mine
I don't know why, but this feels like summertime

When I catch you alone, just you and me
Make you my own, you're all I need
I'm here alone, just here for you
Make you my own, you feel all the time

We can go to my place, turn off all lights
No need for phone calls, yeah, we can kill time
You know what you want, I know what I need
You want a good time, girl, you can trust me

I don't know why...

I don't know why but you look like paradise
Think at your eyes, or your tan skin, no close for what
This just the night, and we're running out of time
I don't know why but you look like paradise

When I catch you alone, just you and me
Make you my own, you're all I need
I'm here alone, just here for you
Make you my own, you feel all the time

We can go to my place, turn off all lights
No need for phone calls, yeah, we can kill time
You know what you want, I know what I need
You want a good time, girl, you can trust me

I don't know why...
