Yellow Claw

Tokyo, barracuda, bungalow bass  
I'm sleepy, got my Prada bucket hat on my face  
I'm single, I don't mingle, you know I like my space  
I'm out here eating sushi at my favorite place  
You think I'm really pretty with my cute little waist  
But I ain't the type of girl you should be trying to chase  
I'm single, I don't mingle, you know I like my space  
I'm out here eating sushi at my favorite place

Yokohama, Benihana, flames in my face  
I'm out here getting tipsy while I'm wrapped up in lace  
I like it when the boys are looking at me to play  
I'm tiny but I bet you I can go on for days  
I like a little pleasure when it comes with the pain  
I'm single, I don't mingle, you know I like my space  
I'm out here eating sushi at my favorite place
