Yellow Claw

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you...
You still with her

Yellow mother fucking claw

I do not give a fuck

I'll be out here
Taking shit from you
But if I leave dude
What are you gonna do

I turn my radio up
I do not give fuck
I do not give fuck
I do not give fuck

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you still with her
I'm taking it to Twitter
I might be 18
But I don't need no baby sitter

If you...
You still with her

Yellow mother fucking claw

I do not give a fuck
I do not give a fuck
I do not give a fuck
I do not give a fuck

I turn my radio up
I turn my radio up
I turn my radio up
I do not give a fuck

Yellow mother fucking claw

I do not give a fuck
I do not give a fuck
I do not give a fuck
I do not give a fuck

I'll be out here
