

Insomnia

Yellow Magic Orchestra

[Instrumental]

[Verse 1]

Cannot sleep at all
I'm insomniac
Cannot sleep at all
I'm insomniac
I'm just alive beneath these caffeine eyes

[Verse 2]

Cannot sleep at all
I'm insomniac
Cannot sleep at all
I'm insomniac
And I'm just alive beneath these caffeine eyes
Damn-looking eternal moon, you never move
The ticking of the clock that never stops (Never stops)

[Verse 3]

Cannot sleep at all
I'm an insomniac
Cannot sleep at all
I'm insomniac
I'm just alive beneath these caffeine eyes

[Outro]

Cannot sleep at all
I'm insomniac
Cannot sleep at all...
