What's a dad for dad?
Tell me why I'm here dad
Whisper in my ear that I'm growing up to be a better man, dad
Everything is fine dad
Proud that you are mine dad
Cause I know I'm growing up to be a better man

Father I will always be
That same boy that stood by the sea
And watched you tower over me
Now I'm older I wanna be the same as you

What's a dad for dad?
Taught me how to stand, dad
Took me by the hand and you showed me how to be a bigger man, dad
Listen when you talk, dad
Follow where you walk, dad
And you know that I will always do the best I can
I can

Father I will always be (always be)
That same boy that stood by the sea
And watched you tower over me (over me)
Now I'm older I wanna be the same as you
The same as you

Father I will always be
That same boy that stood by the sea
And watched you tower over me
Now I'm older I wanna be the same as you

(When I am a dad, dad
I'm gonna be a good dad
Do the best you could, dad
Always understood, dad
Taught me what was right, dad
Opened up my eyes, dad
Glad to call you my, dad
Thank you for my life, dad)
