And I'ma never ever let it drop, drop

Tell me wetin man do weh woman haffi do
Mi nah politician, but mi speak it for the youth
Hustle every day so we feed the family
And we feed the grandkids, and the great-grandkids
Many man a try, dem a wanna hold mi dance
Mi a coconut head, mi a [?] bank
Never looking down so mi crown never fall
A di don for the time, never done, wi nah done

Born champion
No matter weh dem seh
I can see you are hatin' now
Better watch what you say
Seh mi a born champion
No matter weh dem seh
I can see you are hatin' now
Better watch what you say
Bidi dop-dop, bidi dop-dop

Bop, bop, mi a go bop, bop
Mi a go do it every day, nonstop-stop
Bikini, bop-bop, mi a go top, top
And I'ma never ever let it drop, drop

A bamboo, but I'm not down to earth
My enemies no go inherit my [?]
As I hustle, mi a go chop my [?]
Even though I'm resting, we go knock dem dirt
We go knock dem dirt, we go knock dem dirt
With my full chest, mi a say I'm the best
Even though like I make dem go kill demself, yeah

Born champion
No matter weh dem seh
I can see you are hatin' now
Better watch what you say
Seh mi a born champion
No matter weh dem seh
I can see you are hatin' now
Better watch what you say
Bidi bop-bop, bidi bop-bop-bop

Bop, bop, mi a go bop, bop
Mi a go do it every day, nonstop-stop
Bikini, bop-bop, mi a go top, top
And I'ma never ever let it drop, drop
Bop, bop, mi a go bop, bop
Mi a go do it every day, nonstop-stop

Bikini, bop-bop, mi a go top, top
And I'ma never ever let it drop, drop
