

Remind You

Yemi Alade

Hey baby
I just wanna say hi
Okay hol'up
I can toast you, you know Naw
Ok here it goes

One, one for the ring on my finger
Two, two for the love you showed
See baby let me remind you oohehh
So you know, remind you
Yeahhh

One, mofe ro re
Two, you see I gbadun you die no be lie, three
Everything about you is so fly, four
Baby you the only thing on my mind
Five, eehey this boy fine die and
Seven no this boy dey burst my mind eh
Eight, baby one day I go set boy u know already know

One one for the ring on my finger
Two two for the love you showed
I want to remind you ooeeh
So you know remind you eh eh eh

When I sit down for house you dey for my mind
I'm sipping on tea but I'm high walahi
And I dey melt when I look in your eyes
Ahhhhh
Love your aroma die
I fit to hit you up now guy yeahh

Say yeah let me remind you
I see the way you look at me
I know I feel the way you do too
Ahhhhh
Sometimes love seems like its so old
And nothing new will ever grow
So baby let me remind you
Boy you know that you're so cool like ice
Never met another man like you
Can't wait to get you be like king
Bae sit down and enjoy the ride
You appreciate me with my wig off, and
Finally even with no make up, and
I've run out of words
But if you come oh boy
I will show you
Baby let me remind you
Youuuuuu ohhh let me remind you
Boy your love
Your love
Your love
