Nemonemo, nemonemo sing
It's crooked like

Tick tock, round clock
Looking at us
You're chewing on the ice cubes looking at your phone
I'm glaring again

You're really annoying, why are you like that, really?
The pink romance I know
Is like round balloons
We're pointed left, right, front, back

If I reach out, you'll get pricked
We are like squares
Blaming each other
(Always the same)
I'm full of scars
It's really killing me
We're like squares and cranky
It's crooked like

Nemonemo, nemonemo sing
It's crooked like
Nemonemo, nemonemo sing
It's crooked like

(Hey, stop, what's this?)

"Good night, I'm up, how are you?" (Uh, uh)
So much anger in the empty chat
Ignoring each other
Like a locked screen
Our relationship is really dark
Even if you upset me

Should I take a step closer?
I don't want to be further away from you

If I reach out, you'll get pricked
We are like squares
Blaming each other
(Always the same)
I'm full of scars
It's really killing me
We're like squares and cranky
It's crooked like

Nemonemo, nemonemo sing
It's crooked like
Nemonemo, nemonemo sing
It's crooked like

Mishmash
What should I do with my fussy heart?
Hot and cold, my heart wavers
Hold on, I don't want to, hmm... end it like this?

Even if I get pricked
I'll reach out first
I like you, even if you're like a square
(Always the same)
Like a round ribbon
I'll hug you
Because you're my gift
It's crooked like

Nemonemo, nemonemo sing
It's crooked like
Nemonemo, nemonemo sing
It's crooked like
One more time
Nemonemo, nemonemo sing
It's crooked like
Nemonemo, nemonemo sing
It's crooked like
