Don't cry Don't cry
Like a child
Smile Smile
Then you win
You're so cute
You're so dumb
What you say
I don't want to hear it today
One look at the sky

I'll hold on
I'll hold my heart
I'll smile brightly to you

And I say hey
I'm gonna make it smile smile smile away
I'll make a beautiful smile and let it go
Just smile away
Just smile away
To forget about pain, sadness and loneliness
I say hey
I never wanna cry cry cry all day
When tears suddenly fill up
Just smile away
Just smile away
I'll say goodbye with my smiley face

Except when I sneer, the corners of my lips are chillin
You have to be bad to survive, what are you doing?

If you're cute and pretty, are you the best, but
It feels good to see you
My crooked personality everybody's afraid of me
Really, why do you keep smiling?
Take the opportunity to disarm me
Can we be friends two of us

I'll hold on
I'll hold my heart
I'll smile brightly to you

And I say hey
I'm gonna make it smile smile smile away
I'll make a beautiful smile and let it go
Just smile away
Just smile away
To forget about pain, sadness and loneliness
I say hey
I never wanna cry cry cry all day
When tears suddenly fill up
Just smile away
Just smile away
I'll say goodbye with my smiley face

Actually, that's not what's on my mind
I'm too happy to laugh it away
For smiling brightly
The crazy world will call me crazy
I don't care
I don't care
What u saying
I live my life once, I smile it
Even it's lonely & dark
Yeah I

And I say hey
I'm gonna make it smile smile smile away
I'll make a beautiful smile and let it go
Just smile away
Just smile away
To forget about pain, sadness and loneliness
I say hey
I never wanna cry cry cry all day
When tears suddenly fill up
Just smile away
Just smile away
I'll say goodbye with my smiley face
