Gotta get you, get you off my mind

Heart says, "Yes"
My mind's saying, "No, no, no"
Seongwa ak, this test
And go, oh, oh, oh

I don't think I'll ever fall in love again
I don't want it, I don't want it
I don't think I'll ever wanna be your friend
I don't want it anymore (I don't want it)
Wicked games you're playing with me

Say sorry, but I'm like, "Yeah, sure"

The bittersweet Devil, I wanna ride
