

Song Cry

YEONJUN

Sometimes I get emotional
And I can't seem to find the way I'm s'posed to go
And all these so-called people that I'm s'posed to know
They be the main ones, smile up in your face, but behind your back they hate
So I hope you know, you ain't the only reason I'm emotional
My tears fall like water so that I can grow
Not like I was before
Tryna make a change, I need something more

I can't hold back these tears, let me cry
They say a man ain't supposed to cry

So I'ma let the song cry
I'ma let my soul cry through these words
I need to try to free my mind
Sometimes I need to cry just to ease my hurt
But when I let the song cry
Hope you don't think I still won't ride for mine
Every rose needs the rain sometimes
But know that you can dry your eyes this time
Let the song cry

What am I s'posed to do?
Hold it all together when I think of you?
When in my heart I'm thinking you were gone too soon
May you rest in peace, yet I can't sleep
'Cause my point of view
Got me in a state of mind, I'm so confused (ah-ah)
Crying raindrops so that I can bloom
So what am I to do?

I can't hold back these tears, let me cry
They say a man ain't supposed to cry

So I'ma let the song cry
I'ma let my soul cry through these words
I need to try to free my mind
Sometimes I need to cry just to ease my hurt
But when I let the song cry
Hope you don't think I still won't ride for mine
Every rose needs the rain sometimes
But know that you can dry your eyes this time
Let the song cry
