

Point

Yerin Baek

There is no point
That is a point
That's how I love
That's what I love

There is no point
That is a point
Of loving you
Of touching you

There is no bad
There is no good
Things could get bad
But I already knew
So what's the point of all the questions
That's not you should be wondering

So you could ask me
"How much you love me?"
"As the ocean?"
"As a desert?"

There is no point
That is a point
That's how we love
That's what we love

There is no point
That is a point
Of loving you
Of touching you

There is no bad
There is no good
Things could get bad
But you're already knew
So what's the point of all the questions

So you could ask me
"How much you love me?"
"As the ocean?"
"As a desert?"

Feelin' like I'm wasted
Spinnin' like I'm runnin
I'm just watching you
She just talkin', yeah you're funny
Now it's over you
Yeh you always say I'm dumb as fuck and funny
They call me out every day and night
And all this alcohol
