

# Square (2017)

Yerin Baek

All the colors and personalities  
You can't see right through what I truly am  
You're hurting me without noticing  
I'm so, so broke like someone just robbed me

I'm no invincible  
I have much memories of getting more weaker  
No, I'm not loveable  
But you know what you'd have to say

"Come on let's go to bed  
We gonna rock the night away  
Who did that to you, babe  
If you're not in the right mood to sleep now then  
Come on, let's drink and have very unmanageable day  
Would you want me in bae  
If you're not in the right mood to sleep now then  
Come take my arms and go  
I'll be yours for sure"

All the traces and reminiscences  
You can't sense right through how I truly was  
You were gripping me without noticing  
Was so, so strange like someone never loved me

I'm no invincible  
I have much memories of getting more weaker  
No, I'm not loveable  
But you know what you'd have to say

"Come on let's go to bed  
We gonna rock the night away  
Who did that to you, babe  
If you're not in the right mood to sleep now then  
Come on, let's drink and have very unmanageable day  
Would you want me, in bae  
If you're not in the right mood to sleep now then  
Come take my arms and go  
I'll be yours for sure"

You're the only one, who saw my yesterday  
The one who knows I'm here alive today  
Comfort me say, what I mean to you  
You should know what you have to say

"Come on let's go to bed  
We gonna rock the night away  
Who did that to you, babe  
If you're not in the right mood to sleep now then  
Come on, let's drink and have very unmanageable day  
Would you want me in, bae  
If you're not in the right mood to sleep now then  
Come, take my arms and go  
I'll be yours for sure"
