Some days are so happy and joyful
That I wish time would pass slowly
But some days are cloudy
Fading everything that's in my heart
I know good things can't always happen
But I just can't let it go
You can try to do what's happy and good
But this moment is happiness
On days like this
You are my everything
Inside of me, that will be filled with days like this
I hope you will be the flower that blooms in between
I know good things can't always happen
But I just can't laugh it off
You can try to do what's happy and good
But this moment is happiness
On days like this
You are my everything
Inside of me, that will be filled with days like this
I hope you will be the flower that blooms in between
