

## Close to the Edge

Yes

Ahh

Other

Other, 'ther

A seasoned witch could call you from the depths of your disgrace  
And rearrange your liver to the solid mental grace  
Achieve it all with music that came quickly from afar  
Then taste the fruit of man recorded losing all against the hour  
And assessing points to nowhere leading every single one  
A dewdrop can exalt us like the music of the sun  
And take away the plain in which we move  
And choose the course you're running

Down at the end, round by the corner  
(Not right away, not right away)  
(Aaa aaa aaa aaa)  
Close to the edge, down by a river  
(Not right away, not right away)  
(Aaa aaa aaa aaa)

Crossed the line around the changes of the summer  
Reaching out to call the color of the sky  
Passed around a moment clothed in mornings faster than we see  
Getting over, the time I had to worry  
(Over)  
Leaving all the changes far, far behind  
We relieve the tension only to find out the master's name

Down at the end, round by the corner  
Close to the edge, just by a river  
(River)  
Seasons will pass you by  
I get up  
I get down  
Now that it's all over and done  
Now that you find  
Now that you're whole

My eyes convinced, eclipsed with the younger moon attained with love  
It changed as almost strained amidst clear Manna from above  
I crucified my hate and held the world within my hand  
There's you, the time, the logic or the reasons we don't understand  
Sad courage claimed the victims standing still for all to see  
As armored movers took approached to overlook the sea  
There since the cord, the license or the reasons we understood will be

Down at the end, close by a river  
Close to the edge, round by the corner  
Close to the end, round by the corner  
Down at the edge, close by a river

Sudden problems take away the startled memory  
All in all the journey takes you all the way  
As apart from any reality that you've ever seen and known  
Guessing problems only to deceive the mention

(Ooh, ooo, ooo)

Passing paths that climb halfway into the void  
As we cross from side to side, we hear the total mass retain

Down at the end, round by the corner  
Close to the edge, just by a river  
Seasons will pass you by  
I get up  
I get down

In her white lace, you could clearly see the lady sadly lookin'  
Sayin' that she'd take the blame  
For the crucifixion of her own domain  
Get up, get down  
Get up, get down

Two million people barely satisfy  
Two hundred women watch one woman cry, too late  
The eyes of honesty can achieve  
(...)  
How many millions do we deceive each day?  
(...)  
I get up, I get down  
I get up, I get down

In charge of who is there in charge of me  
(...)  
Do I look on blindly and say I see the way?  
(...)  
The truth is written all along the page  
(...)  
How old will I be before I come of age for you?  
(...)  
I get up, I get down  
I get up, I get down  
I get up, I get down

Get up, get down  
Get up, get down  
Aaa aaa aaa aaa aaa aaa aaa

The time between the notes relates the color to the scene  
A constant vogue of triumphs dislocate man, so it seems  
Space between the focus shape ascend knowledge of love  
As song and chance develop time, lost social temperance rules above  
Ahh ahh

(Ahh)

Ahh ahh

(Ahh)

Then according to the man who showed his outstretched arm to space  
He turned around and pointed, revealing all the human race  
I shook my head and smiled a whisper, knowing all about the place

On the hill we viewed the silence of the valley  
Called to witness cycles only of the past  
And we reach all this with movements in between the said remark

Close to the edge, round by the corner  
Down at the end, round by the river  
Seasons will pass you by  
Now when it's all over and done  
Called to the seed, right to the sun  
Now that you find, now that you're whole

Seasons will pass you by  
I get up, I get down  
Get up, et down  
Get up, get down  
I get up
