

## Dancing Through The Light

Yes

Dance in the light. Dance in the light  
Dance in the light. Dance in the light.

Dance in the light. Everything is all right  
Dance in the light of day, dance in the light of night.

Dance in the light. Dance in the light.  
Dance in the light. Dance in the light.

Dance in the light. Dance in the light.

Dance in the light. Everything is all right.

Dance in the light of day, dance in the light of night.

Ooh, let it go through. Oooh, here it comes  
Oooh, here we go.
