

Magic Potion

Yes

On another night we sung our song
Such simple pleasures they can last so long
We stood our ground on the nights return
In the knowledge of what it is we learn

It's a good day to be had by all

As we're drifting in slow motion
All consumed by the notion
That love is the magic potion

It's the way of things
Conclusions drawn
Justice founded on
Though it's worn and torn
The waves aren't calm
When the words alarm

It's a good day to be had by all
It's a good day to be had by all

As we're drifting in slow motion
All consumed by the notion
That love is the magic potion
