I said, I said we'll last 'til the world ends
Whilst you were holdin' for heartbreak
Longing for forever's tale
It's for the better
We are fornever

I said, I said we'll last 'til the world ends
Whilst you were holdin' for heartbreak
Longing for forever's tale
It's for the better
We are fornever

Why can't? Why can't we last 'til the world ends
Gotta take you out of my head
Knowin' it will never fade
It's for the better
We are fornever
