Romanticising me
Art, artificially
You're so fucking special

Love, lover, love her
Think of me when you fuck her
Lose, loser, lose her
She is him and her is me

I-one-two, four-U
I-one-two, four-U
I-one-two, four-U
Four-U, I-one-two (□□□□)

Dehumanising me
Romanticising me
Art, artificially
I wish I was special

She is him and her is me
