

# Bites On My Neck

yeule

Bites on my neck from your mouth  
Wide open holding my head down  
Took ten lines to feel this numb  
All while you healed my sick heart  
When I was stuck in the dark  
You gave me a sickness so blue

I had to walk into the fire to know how to feel  
(I had to walk into the fire to know how to)  
(I had to walk into the fire to know how to)

Bites on my neck  
I'm still bleeding through  
All the bruises you  
Left on me, you knew  
(I'm dead)  
Bites on my neck  
I'm still bleeding through  
All the bruises you  
Left on me, you knew  
(I'm dead)

You know that I could have  
Loved you with my bare hands  
Uh!  
You know that I could have  
Killed you with my bare hands

Bites on my neck from your mouth  
Wide open, holding my head down  
(How to feel? How to feel? How to feel?)  
Took ten lines to feel this numb  
All while you healed my sick heart  
(How to feel? How to feel? How to feel? How to feel?)

Didn't know what  
Didn't know what I want  
Let you bite into  
What I was to you (Was to you)

You know that I could have  
Killed you with my bare hands

Bites on my neck  
I'm still bleeding through  
All the bruises you  
Left on me, you knew  
All the bruises you  
Left on me, you knew  
All the bruises you  
Left on me, you knew

You know that I could have  
Loved you with my bare hands  
Uh!  
You know that I could have  
Killed you with my bare hands

Bites on my neck from your mouth  
Wide open, holding my head down  
(How to feel? How to feel? How to feel?)  
Took ten lines to feel this numb  
All while you healed my sick heart  
(How to feel? How to feel? How to feel?)

Love you, 10, 000 years  
Love you, then disappears  
Love you, then stabs my back (I've seen it all, I've seen it all, yeah)  
Love you, then leaves a wreck  
Love you, 10, 000 years  
Love you, then disappears  
Love you, I do, I do, love you  
How could you?  
I've seen it all, I've seen it all, I seen it all, I seen it all, I seen it  
all  
I'm in the dark, I'm in the dark, I'm in the dark  
I'm in the dark, I'm in the dark (Come in the dark, yeah, come on)  
(Yeah)  
(I had to walk into the fire to know how to feel)  
(I had to walk into the fire to know how to feel)
