

## Electric

yeule

The only thing reminding me to stay alive is  
The scars I see that drips down from my arm  
Staring at my soul and tells me to imagine  
What it would be like if I haven't met you

Oh, ooh, ooah, oh  
Oh, ooh, aah  
Oh, ooh, ooah, oh  
Oh, ooh, oooh

Ah, ah, aaah, ah  
Ah, ah, aaah, ah  
Ah, ah, aaah, ah  
Touch of you, electric

I just know this lovely dream is ending slowly  
Boiling through my blood and telling me to let you in  
Slowly in the frame of my own mind  
I can hear the voices telling me to die

Oh, ooh, ooah, oh  
Oh, ooh, aah  
Oh, ooh, ooah, oh  
Oh, ooh, oooh

Ah, ah, aaah, ah  
Ah, ah, aaah, ah  
Ah, ah, aaah, ah  
Touch of you, electric  
Ah, ah, aaah, ah  
Ah, ah, aaah, ah (No one loves you like I do)  
Ah, ah, aaah, ah (Like I do, like I do)  
Touch of you, electric

You're the only one who knows me  
I can't tell anyone (No one loves you like I do)  
I've been to the void and back  
To the sun but it's cold  
You're the only one who knows me  
I can't tell anyone  
I've been to the void and back  
To the sun but it's cold
