I'm not afraid of your darker side
When I'm with you
These demons in my head ain't got no place to go

I see your tears well up on your face
But I cry with you
I won't tell you to stop cause I know how hard it is to

Soft, soft, softly you
Soft, soft, softly you
Soft, soft, softly you
Soft, soft, softly you

I'm not afraid of your darker side
When I'm with you
These demons in my head ain't got no place to go

I see your tears well up on your face
But I cry with you
I won't tell you to stop cause I know how hard it is to

I see your tears well up on your face
But I cry with you
I won't tell you to stop cause I know how hard it is to

I'm not afraid of your darker side
When I'm with you
These demons in my head ain't got no place to go
