

I Found A Reason

yeule

Oh, I do believe
In all the things you see
What comes is better than what came before
And you better, come come, come come to me
Better run, run run, run run to me
Better come, come come, come come to me
Better run

Oh, I do believe
In all the things you see
What comes is better than what came before
And you better, come come, come come to me
Better run, run run, run run to me
Better come, come come, come come to me
Better run

Oh, I do believe
In all the things you see
What comes is better than what came before
And you better, come come, come come to me
Better run, run run, run run to me
Better come, come come, come come to me
Better run
