

Reverie

yeule

Moonlight
It comes in so close
I always mistake him
For a shadow or a ghost

Moonlight
Bleeding heart
Moonlight
Saw my bleeding heart
Moonlight
Left me to swallow
The pain that you

Moonlight
I've watched you from afar
But I still don't remember
How you fell away from me

Moonlight
I've watched you from afar
But I still don't remember
How you fell away from me
