

Self-Control

yeule

I'll be the boyfriend in your wet dreams tonight
Noses on a rail, little virgin wears the white
You cut your hair but you used to live blonded life
Wish I was there, wish we'd grown up on the same advice
And our time was right

Keep a place for me, for me
I'll sleep between y'all, it's nothing
It's nothing, it's nothing

Keep a place for me, for me
Now and then you miss it, sounds make you cry
Some nights you dance with tears in your eyes
I came to visit, 'cause you see me like a UFO
That's like never, 'cause I made you use your self-control
And you made me lose my self-control, my self-control

I, I, I know you gotta leave, leave, leave
Take down some summer time
Give us, just tonight, night, night
I, I, I know you got someone comin'
You're spittin' game, know you got it

What
I didn't, I wasn't
No, where did you come from?

I, I, I know you gotta leave, leave, leave
Take down some summer time
Give us, just tonight, night, night
I, I, I know you got someone comin'
You're spittin' game, know you got it

I, I, I know you gotta leave, leave, leave
Take down some summer time
Give us, just tonight, night, night
I, I, I know you got someone comin'
You're spittin' game, know you got it

I, know you gotta leave
Take down some summer time
Just tonight
I, know you got a someone comin'
You're spittin' game, know you got it
