

Da-da, da-da, da-da
Da-da, da-da, da-da

Worked up over something that you said last night
Tape my mouth shut with your pretty eyes, mmm
My eyes stay looking up at the sky
Da-da, da-da, da-da
And you sit there and watch me cry
Da-da, da-da, da-da

And everything you hate, I hate it too
I want you to know I side with you
Nothing is ever out to get you
Da-da, da-da, da-da
Nothing has changed in my love for you

What3vr, what3vr
What3vr, what3vr
What the fuck is wrong with you?
Don't you know who loves you?

I like the world when you're by my side
Na, na, na-na-na-na
Feels less shitty when you grip me tight
Na, na, na-na-na-na
Around my waist and around my thigh
Na-na-na-na-na
But not gonna lie, it still makes me cry
Na-na-na-na-na

I still have your smell up in my hair
Da-da, da-da, da-da
And you never gave back my Moncler
Da-da, da-da, da-da
And I still have the pain you left behind
Da-da, da-da, da-da
The blood, sweat, tears of a broken mind

What3vr, what3vr
What3vr, what3vr
What the fuck is wrong with you?
Don't you know who loves you?
