

Look aye when I shot my first pistol I was 13
My main man took a dub before 17
Who woulda thought that we would never ever speak again
Loyalty and the love I had for you my only weaknesses
Let a hoe control what you do, boy you weak as as shit
Pound still got a open case I hope he beat this shit
I keep pouring all of these lines they say I need to quit
Got a half a mil in the stash to take care of [?]
I'm just tryna feed my jit

That water shallow but it get deeper when you panic
A conqueror, I can survive in Atlantic
A monster, I'm the Loch Ness gigantic
Real maniac, got a [?]
Shawty do back to back on God they finally react
Know we having bulletproof cars wherever we at
[?] bigger than your front yard you never in that

Aye how you real but you always speaking down on your niggas
I don't put a chain on each and every one of my niggas
You can't win if you don't try
If you don't ever take the risk then you will never make it out it
One way in one way out it

I can give a fuck about what they think
They'll never tell my story
How my momma house got 2 wings
They'll never talk about them things
Batmobile in the driveway bitch I'm Bruce Wayne
[?] bitch I do things

How the fuck me and you a tie ain't no shoestrings
We just fucking and you still lying, bitch you too strange
We just came back from Dubai we ran 2 trains
Look big roll gold Rollie on me that bitch too plain
That shit that I pop make her drop her lil' panties
Big ole Glock on me shit sound like a cannon
All these damn rocks on me looking like the canyons
Huh uh I know that nigga can't stand me

I'm probably sliding through the Pork n Beans when I'm in Miami
I'll probably sliding through to where them hunters be when I'm in Los Angeles
I just got a 8th from [?] bitch we straight
When [?] got a plug when he ate bitch we ate
Never knew the money felt this good

Bitch I make that money look real good
Bitch can't get a dollar all she get is wood
Wish a nigga would wish a nigga would
Niggas ain't really happy
Look they don't wanna see a nigga good living lavish
How you respect your big dog man that nigga ratted
How you respect your bitch dog and she let me have it
