

# Dope Game

YFN Lucci

(Think it's a game!?)  
Real nigga real nigga real nigga radio)  
Niggas wanna get in the dope game not knowing you playing for your life and  
your freedom everyday  
Run the score up young nigga!  
Ya got to play to win, or risk losing it all  
(LUCCI!)

My brother lost his daddy to the dope game  
I lost my partna to the dope game  
Tried to tell them niggas go both ways  
I swear we done been thru the most pain  
Aye have you ever lost somebody to the dope game?  
Half of my auntie nem on cocaine  
I can't go to sleep cause the dope swangin  
I was barely ten when dem folks came in  
Aye have you ever lost somebody to the dope game?

Paranoid out my mind  
Can't sleep without that iron  
I can't hear my own thoughts cause my auntie steady crying  
Cuz just cop bout 4 bricks and them bitches all hard  
Popped em on the highway got damn them dogs smart  
Did I mention his ole lady she was in the car with him  
Hit em with conspiracy so she getting charged with him  
Who gone raise their lil girl?  
Who gone raise they whole world?  
Who gone keep her out them streets?  
Lately she been round' them freaks  
Did ten then came home  
Still sang the same song  
Supposed to come home strong for her homes u dead wrong  
Used to front me them quarters and I brought it back  
Used to looked up to him now he smoking crack

My brother lost his daddy to the dope game  
I lost my partna to the dope game  
Tried to tell them niggas go both ways  
I swear we done been thru the most pain  
Aye have you ever lost somebody to the dope game?  
Half of my auntie nem on cocaine  
I can't go to sleep cause the dope swangin  
I was barely ten when dem folks came in  
Have you ever lost somebody to the dope game?

I can't let them check me out the streets I know they envy me  
I'm the one that gave u somewhere to sleep now you my enemy  
Thought you would've said a prayer for me now you gone prey on me  
(Look!)  
I'm the one that made a way for you now you wanna take from me  
(Look!)  
Dope game  
That shit there lost me when I seen my dawg on cocaine  
I never thought I'd spin my dawg but ian got no shame  
The day you cross me man that shit brought me the most pain  
(Yay! Look)  
Vernon died, Yoda fired he got Quintay doing time

No love this ain't valentine  
I don't need to family time  
(Uhh!)

Lawyer cost a nigga 50k they gave him all that time  
Dope boy in a rolls truck but I bought it off of selling rhymes

My brother lost his daddy to the dope game  
I lost my partna to the dope game  
Tried to tell them niggas go both ways  
I swear we done been thru the most pain  
Aye have you ever lost somebody to the dope game?  
Half of my auntie nem on cocaine  
I can't go to sleep cause the dope swangin  
I was barely ten when dem folks came in  
Have you ever lost somebody to the dope game?

Trap or die  
I ain't never lived a lie  
Ask snow he ain't never seen me without that fire  
(Gunshot)

Ask the streets they ain't never seen me go out sad  
(Ever)

Ask yo hoe she ain't never seen me without a bag  
(Beep!)

Ask the kitchen he ain't never seen me without a pot  
(Aye whip it)

Ask the Mexicans who they was sending 50 blocks to  
Ask the jeweler about my watch the shit a hundred piece  
Ask my hood and how I fed every nigga under me  
(Whole gang)

To my niggas I lost to this game  
(Whats happening)

All this money in this world it won't fix this pain  
(I'm hurting)

To them niggas taking stands and giving up names  
(Damn)

Dead or alive jail or freedom you niggas some lames  
(Lames)

You hustling for a rollie you thuggin for change  
Trynna get my people out these projects I'm hustling for change  
My nigga stole from me  
My dawg told on me  
And I was 100 with niggas  
The streets cold homie  
(For real)

My brother lost his daddy to the dope game  
I lost my partna to the dope game  
Tried to tell them niggas go both ways I swear we done been thru the most pain  
in

Aye have you ever lost somebody to the dope game?  
Half of my auntie nem on cocaine  
I can't go to sleep cause the dope swangin  
I was barely ten when dem folks came in  
Have you ever lost somebody to the dope game?
