

# Every Time

YFN Lucci

When you getting to the money  
They don't want to see you shine  
Got some partners and locked away  
Far Away  
And every single time  
They call my phone  
I answer every time  
Counting the days till the day  
Got some pretty bitches  
On the way  
One night only  
You know you can't stay  
When you getting to the the money  
They don't want to see you shine  
It's okay  
That's okay

You know every time they bait my line  
I answer every time  
Ain't no way I'm lying  
I be there every time  
They know I don't play bout mine  
Pay on time or else you dyin'  
They know they might catch me slidin'

Now we shinin'  
Perfect timin'  
We don't go to hoes now we  
Fly them in  
I might wake up in the morning  
Buy a Benz

If iont' win  
Everything I dreamed about I went  
And did  
Gotta' do it big  
Gotta do this shit for B.I.G

When you getting to the money  
They don't want to see you shine  
Got some partners and locked away  
Far Away  
And every single time  
They call my phone  
I answer every time  
Counting the days till the day  
Got some pretty bitches
