

Let Me Down

YFN Lucci

(RellyMade)

I fuck the baddest, huh, I can't get married, uh
I tried to give the bitch all of my heart, she took it and stab
bed it, yeah
I tried it then, but now I'm in love with money and carats
I done bought me a bed, and, no, not a Benz, I could buy me a b
ad bitch
Yeah, uh, all of that cappin', now she want a flight out to Cal
i
But I'm on a flight out to Paris, tryin' for my heart, she done
damaged
It's comin' apart and I'm panicking, now I'm stiff-
arming like a mannequin
Now I ain't even gotta handle it, now she want me to be her man
again, uh, uh

All I ever needed from you was love
All I ever needed was love
Girl, can you bring me your love? Yeah
But you let me down
Girl, don't let me down, yeah
How you come around and you let me down?
Guess that's why you not around, 'cause you let me down
Every time you come around, you just let me down, you let me do
wn, yeah
Every time you come around, you just let me down
I guess that's why you not around, 'cause you let me down
Every time you come around, you just let me down

You let me down when I was down bad
I went from Fritos to money in that brown bag
Had to bounce like you know I bounce back
Girl, you ain't keep your legs closed, red nose on your clown a
ss
Look at clouds pass, and I ain't through shinin'
Hard to stay blue when all I see is blue diamonds
Fallin' for your love, I ain't through climbin'
I'm two times the fool, it's two-
timin' you, you just let me down

All I ever needed from you was love
All I ever needed was love
Girl, can you bring me your love? Yeah
But you let me down
Girl, don't let me down, yeah
How you come around and you let me down?
Guess that's why you not around, 'cause you let me down

Every time you come around, you just let me down, you let me do
wn, yeah
Every time you come around, you just let me down
I guess that's why you not around, 'cause you let me down
Every time you come around, you just
