Phone bill, car note, everything I paid for
Ayy with your phone out, dancing like you J. Lo
Got your hand out but you don't want no paper
You just showing off, that new ring I bought
Girl show it off, 'cause it's alright
'Cause it's your life, ayy, huh

You got a man but you know that nigga nothin' like me
I got a plan and I need you just for one night
I'm tryna slam dunk in that pussy, like Mike
I'm tryna put that girl to bed like night-night
I'm tryna put some diamonds on her, have her light bright
I'm talking sunlight
Yeah, sun nice
