(It's Buddha beats)  
(Ugh, ugh, hey)

They gon' think I lost it  
Lost what, bitch? I ain't lost shit

They gon' think I lost it  
And the top, I lost it  
Forgiato offset  
And I'm drippin', faucet

They gon' think I lost it  
And her top, she lost it  
So, the top, I lost it, yeah

This shit big as a Suburban  
She never heard of it (Skrrt, skrrt)  
I'm in both lanes, just to swerve it  
She puttin' that work in  
Aye, I got less than 5 Percs and  
Can't see a person  
Aye, if I had to pay for it  
Girl you know I'd purchase  
Let me purchase, let me, let me purchase  
Buy Fendi purses  
Buy Chanel, and Birkin  
Aye, that pack land on Thursday  
Someone might get nervous  
How you fly a bird in?  
How you fly a bird in?

Aye, like 2pac, I'm burdened  
I just made a mil off servin'  
I'll spend a whole mil on some jewelry  
I know only the real gon' feel me  
And I know the deaf gon' hear  
I'ma sleep on a mil this year  
Tryna have 5 M's this year  
Have me lookin' like M, M, M

They gon' think I lost it  
And the top, I lost it  
Forgiato offset  
And I'm drippin', faucet

And her top, she lost it  
So, the top, I lost it, yeah

Ok, yo work it, bitch go on and work it  
And I threw 'bout me a  
Quarter in that bitch on purpose  
The way my wrists hurt, it probably broken  
And the bank, I broke it

I can't fuck no broke bitch  
I can't stand my old bitch (Yeah)

Girl, come bend it over for me  
Tell me what all you need  
I won't tell you it's guaranteed  
Now she's yellin' out "Marry me!"  
But I'm married to the money  
Love carat like a bunny  
In Paris with a bunny, yeah  
Look, everything painted red  
I got different bread  
Got some white, wheat  
Honey oat and Panera bread (Yeah)  
Plus I'm thoroughbred (Yeah)  
And my dogs set  
Tell my girl I know I like that pussy bald-head

They gon' think I lost it  
And the top, I lost it  
Forgiato offset  
And I'm drippin', faucet

Aye, they gon' think I lost it  
They gon' think I lost it  
And her top, she lost it  
So the top, I lost it, yeah
