

## Time For It

YFN Lucci

Street shit nigga you know what the fuck goin' on  
You know, my first album and shit  
You know, a nigga done came far, in this big ass house

Look, ay I chose rappin' over everything  
See we was trappin' and bustin' checks before the deal came  
I still can't believe my cousin died before the deal came  
That's why sometimes I just get high 'cause I ain't tryin' to feel pa  
in  
See I could just sit here and lie but that'll feel strange  
And rap about all the shit I don't got and not the real thing  
See you know me I made it out and that's the real change  
Where I come from you sell drugs, rap, or gang bang  
Damn a nigga life changed, damn I live a piped dream  
I can give a damn if no one like me  
I can see my future and it's shiney  
I been working hard, I been grinding, I'ma go so hard about my kids

Said I won't stop  
I'ma grind hard  
I'ma shine hard  
Swea it was time for it  
I'ma grind hard  
I'ma shine hard  
I'ma grind for it  
I'ma shine for it  
I'ma do whatever it takes when it's time for it

Ay Diamond, graduated I just bought my mama a house I hated where she  
stayed  
I turned myself into a boss, I made myself a way  
I had to take a couple losses but I heard you gotta pay to play  
I come up from niggas tote hammers I heard you never do  
Totin' pumps, nines whatever shid we just like to shoot  
Never let that hatin' shit mess with you, ion't never do  
Never let a broke ass nigga tell you what's best to do  
And I'm way ahead of you, I'm that dope on the block and the residue  
I'm a young fly nigga and I got revenue  
This a true story that I'm telling you

Said I won't stop  
I'ma grind hard  
I'ma shine hard  
Swea it was time for it  
I'ma grind hard  
I'ma shine hard  
I'ma grind for it  
I'ma shine for it  
I'ma do whatever it takes when it's time for it
