YG

She a bad bitch  
Ain't worryin' 'bout nothin' cause she know she the baddest  
In that Gucci pumps, Gucci purse and Gucci glasses  
Aye here's the keys to my whip, you can have it  
Cause she a bad bitch

I need me a bad bitch  
And everything she wear be fresh out the plastic  
20 inch weave and don't care about shit, now that's a bad bitch  
Oh yeah your girlfriend bad but she baddest  
She bend over, pick it up and let me grab it  
And she know I'm a pussy killer, I'm a savage  
So she bend over, pick it up and let me have it  
Now that's a bad bitch, and she remind me of a top model diva  
Light skinned skinny bitch, she remind me of Eva, shit  
Even though she lie to me, I would never leave her  
Lay on my plate and let me eat yah  
I got a bad bitch and her name Lisha  
And she got her Gucci pumps, Gucci purse and Gucci glasses  
Bad bitch, and she remind me of Janet Jackson  
Think your girl clean but my bitch cleaner  
Pull up on the scene with 23's sittin' on the Bimmer like

She a bad bitch  
Ain't worryin' 'bout nothin' cause she know she the baddest  
In that Gucci pumps, Gucci purse and Gucci glasses  
Aye here's the keys to my whip, you can have it  
Cause she a bad bitch

She gotta be real bad, real bad and pretty  
And she gotta be hood cause I like mine sadity  
And she never trippin', never actin' like she [?]  
And if she bang the neighborhood at least I know she rollin' with me  
If she ain't wearin' Gucci pumps, she got her other boots on  
Like Marvin Gaye, we can get it on  
And she get my dick hard when I see her in a thong  
Take it off, don't stop, I hope I don't sound rude  
And I'm a thug, shawty never fucked with a Blood  
I got tattoos, tattoos and some more tattoos  
I ain't your boyfriend but I can be that dude  
Cause you a bad bitch and I'm a bad boy  
And if you don't want a boyfriend, I can be your boytoy  
Bad bitch with an attitude and she so mean  
I'm so fresh, so fresh, so clean  
And it should be against the law, how she lookin' at me  
Cause she a bad bitch

She a bad bitch  
Ain't worryin' 'bout nothin' cause she know she the baddest  
In that Gucci pumps, Gucci purse and Gucci glasses  
Aye here's the keys to my whip, you can have it  
Cause she a bad bitch
