YG

I said, "Hasta luego, mami, fuego"  
Pipe me down, he bilingual, daddy, leggo  
Yo quiero a nigga that ain't afraid to let me have it  
I'm more like, "Papi, let me hit tho"  
I just want the beso, let me kiss the peso  
Yo te llamo, all the sex foreign he like bae, tho  
Call me linda, know he like in the day tho  
Throw it back he said, "Ay, mami, me vuelves loco"  
I bad lil' mami like soca  
Dance with me, baby, lo quiero sobria  
Give me what I want, no deal  
I want you, no esperes, ay dios mío  
He want me, yo voy, I see him  
Let me love, give me pasión, it's real  
Me gustan los tíos, come to me, baby, tú eres mío

Ay, ay, mami, slow it down right  
I, I wanna see you tonight  
I, I know what's on your mind  
Know what you like, muy atractivo  
Spike my interest, baby, what's the deal?  
Busco una pareja pa' bailar  
Vibe till the sunrise, yo no sé mentir  
Can you be him?

Know you want me, baby, don't be shy  
Flew a thousand miles, now we eye to eye  
Left hand here, right hand on my thigh  
Side up if you dare wanna see the wild side  
Make a move, or I'll make mine, I rude  
I just want what's mine, set the mood  
Let me love you down right  
All these girls ain't been doing you right  
I came from heaven sent to make you hellish  
Body on the left and know you starin'  
I think me and you are pairin'  
No more time, it's time I have it  
Seeing you naked babe I'm feening  
Love's my weakness ain't no dreamin'  
Head over heels, let me drive you crazy  
Let me be your baby

Ay, ay, mami, slow it down right  
I, I wanna see you tonight  
I, I know what's on your mind  
Know what you like, muy atractivo  
Spike my interest, baby, what's the deal?  
Busco una pareja pa' bailar  
Vibe till the sunrise, yo no sé mentir  
Can you be him?

Hasta luego, fuck with a real caballero  
Locs on me tinted lookin' like I'm ciego  
Put a, quit teasin' bitch, we don't play no juegos  
You and me mami, we click like some legos?  
Mula, plata, peso, dinero  
Bitch call me papi like my name was Diego

Beso, bitch, I said come and kiss the peso  
Otra bitch, I said come and kiss the peso  
Loca, I like bitches that like bitches  
Platinum Amex, I swipe bitches  
Talkin' like a freak, what's up with that night visit?  
I got a question, with that mouth, is you nice with it?  
Only time we talk 'bout kids is when she swallow  
Put my bitch in designer and she turned to a model  
Ooh, that pussy wet, I need a poncho  
Ven aquí, I need it pronto (Eeh)

Ay, ay, mami, slow it down right  
I, I wanna see you tonight  
I, I know what's on your mind  
Know what you like, muy atractivo  
Spike my interest, baby, what's the deal?  
Busco una pareja pa' bailar  
Vibe till the sunrise, yo no sé mentir  
Can you be him?
