Dumbing since a youngin', taught you power in my voucher (Yeah)
Really go and tell you how I'm 4th without a doubt (Doubt)
And I lay down 12th for hella years, you know the route (12th)
And I put in work for 33rd, watch your mouth
Green stoner slimy like your teeth whilst a drought (Huh)
Temple full of killers, I 'member Charleston house (Yeah)

When Zenni was sellin' ounces for Taco and Rico went down

Move to Oak Park B if Lil' Tim and M wasn't 'round
Bang in peace to Ray, we name the block after that child
Know you out there smilin' through that shit that make you proud
