

Do It With My Tounge

YG

Bitch never had it like that
Face in the pillow while I eat it from the
Bitch never had it like that
Face in the pillow while I eat it from the back
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my tongue
Cause I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
and you gonna like it

It ain't no shame in my game I do it with my tongue
My old girlfriend say I make her feel young
Yikes, I'm like a plumber with the pipes
Girl I eat that pussy with a mouth full of ice
Them sheets you are laying on I'ma leave them soaked
Give you the chills baby make you kiss the holy ghost
Them sheets you are laying on I'ma leave them soaked
Give you the chills baby make you kiss the holy ghost
How you doing, what's yo name
She say hi I'm tight, girl you so bad
I let you ride my face, so I can eat it from the back
Put your face in the pillow
If it tastes like Skittles then my face is in the middle
Or I let you ride me like a brand new jeep
She just turned 18, she my brand new freak
And for, all my college girl that like the way I look
I eat that pussy while you read your book, yeah

Bitch never had it like that
Face in the pillow while I eat it from the
Bitch never had it like that
Face in the pillow while I eat it from the back
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my tongue
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my tongue
Cause I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
And you gonna like it

Bitch stop it, punk the pussy hot topic
Leave the pussy on fire, I'm the firefighter
Hear the sirens, fucking neighbors think it's violence
Fly nigga, never been a copilot
Too hard, on the eat pussy diet
You ain't never had it, you should fucking try it
Yeah you should fucking try it
I been fucking since noon, bitch I'm fucking tired
Tongue diving, do your legs like Pilates
No hands, tell that bitch ghost ride it
She gives me Becky, 69 give her Bobby
In the sauna, hotter than wasabi
She gonna tickle in the middle

Got your clit ring ringing
Screaming in the fucking pillow
I ain't coming till she finish
Coming pre, coming little
Know my job title, I give you the bizness

Bitch never had it like that
Face in the pillow while I eat it from the
Bitch never felt it like that
Face in the pillow while I eat it from the back
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my tongue
Cause I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
And you gonna like it

See I can do it like that, I can do it like this
Wait once i stop the beat give that pussy a kiss
Same nigga that can give you a hit
She been sex free for months, I can give you some dick
Yeah my teeth so colgate, you niggas so late
(why) Cause I've been in that pussy since 08
90's baby we do what we wanna do
Here's what she tell me when I asked her she was coming through
Back seat of the whip, back seat of the whip
I eat that pussy in the back seat of the whip
Damn, I'm fucking with this bitch pam
Got right in that pussy then I went ham
No, I ain't trying to meet her fam
Cause if she ain't fucking I'ma tell her bitch scram
Fuck with this baby we allstars like Converse
So Nasty, I do you on stage at my concert

Bitch never had it like that
Face in the pillow while I eat it from the
Bitch never had it like that
Face in the pillow while I eat it from the back
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my
It ain't no shame in my game I do it with my tongue
Do it with my, do it with my tongue
Cause I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
Girl I'm the pussy eater, the pussy eater
And you gonna like it.
