Fuck Donald Trump

Ain't nobody else gon' speak up, we gon' speak up  
Yeah, fuck Donald Trump  
Yeah, nigga, fuck Donald Trump  
Yeah, yeah, fuck Donald Trump

I got a question...  
How'd he make it this far? How the fuck did it begin?  
A Trump rally sounds like Hitler in Berlin  
Or KKK shit, now I'm goin' in  
I'm just sayin' what's real, I don't give a fuck who I offend  
Cause it's gotta be said, it's gotta be said  
It's off the top like the toupee on Donald Trump's head  
This man's not peaceful, racism's evil  
This man hates Muslims, that's a billion fuckin' people  
If truth be told, Donald is a terrorist  
Reasons why the world's got a problem with Americans  
The fuck is goin' on? People just passed  
A mass murder happened, you said thanks for the congrats  
You tryna get your votes up, you don't got class  
Orlando was a tragedy, you react fast  
And then made it 'bout you, to boost your campaign  
It's goin' all bad if he wins this damn thing  
Man America is fucked if he's next up  
Take a day to undo what Obama fixed up  
It's Young Gerald so you know who said it  
And Ivanka can get it, straight up

Fuck Donald Trump  
Fuck Donald Trump  
Yeah, nigga, fuck Donald Trump  
Yeah, yeah, fuck Donald Trump

Oh we ridin', check it  
Now, we protest when we see the tour bus (bang, bang)  
Too scared to get out, that's why the door is shut (bang, bang)  
Your politics are like a Starburst pack (why?)  
Nobody fucks with the orange one (biatch!)  
Bannin' all Muslims? Aiight, bool (this guy)  
What if we ban all the white dudes?  
Because a couple have run up in trenchcoats and rifles  
And killed in the name of Jesus Christ at the high school  
How 'bout we stop sellin' automatic guns?  
You got rich cause your daddy gave you automatic funds  
Add it up, you an automatic punk, what it is?  
I'm just tryna make America great again! (Mothafucka)  
Party in the streets when Hillary wins  
If she don't, my girl's half Canadian  
Actually nah, I'm not gonna stay with them  
I got an eagle on my arm, I'm a patriot

I'm a stay right here, I ain't livin' in fear  
With my people who are Muslims, Mexican and queer  
And we ain't gonna let you fuck up four years  
Ain't gonna let you fuck up for years

Fuck Donald Trump  
Fuck Donald Trump  
Yeah, nigga, fuck Donald Trump  
Yeah, yeah, fuck Donald Trump  
Yeah, fuck Donald Trump  
Send it over  
Yeah, fuck Donald Trump  
Ain't nobody feelin' your ass  
Yeah, nigga, fuck Donald Trump  
Ain't nobody feelin' you ass  
Yeah, yeah, fuck Donald Trump  
Here we go again

Thought I was makin' songs just to ride to?  
But come to find out your own kind don't even like you  
Macklemore don't like you, G-Eazy don't like you  
The rest weenies, they scared to say it, but they don't like you  
Obama don't like you, Michelle don't like you  
Been tryna make it to one of your rallies but I ain't have time to, punk  
Piss on your golf course just to find you  
Like where you hidin' at? Who you lyin' to?  
Fuck your get rich scheme, I've been ballin' out  
You're too old, you keep lyin', that's why your hair fallin' out  
Donald Trump, call him out, KKK supporter  
His favorite phrase, "Deport 'em, " how the fuck y'all endorse him?  
Since America is fucked up anyway  
Give Obama a third term, that's what plenty say  
Just left Texas, hit the stage for a couple thousand  
And had your same color people hollerin'

Fuck Donald Trump  
Fuck Donald Trump  
Yeah, nigga, fuck Donald Trump  
Yeah, yeah, fuck Donald Trump  
Yeah, fuck Donald Trump  
Yeah, fuck Donald Trump  
Yeah, nigga, fuck Donald Trump  
Yeah, yeah, fuck Donald Trump  
Yeah
