I think we got kicked out because we're a group of black people and like, I guess people... what's going on in America, they're afraid we're gonna say something or do something, but we just wanted to watch the rally, and to get kicked out because we're a group of black people is really crazy. It shows you how racist our own school is that we can't even go to our own school conference

f**k Donald Trump

f**k Donald Trump

Yeah, nigga, f**k Donald Trump

Yeah, yeah, f**k Donald Trump

Yeah, f**k Donald Trump

I like white folks, but I don't like you

All the niggas in the hood wanna fight you

Surprised El Chapo ain't tried to snipe you

Surprised the Nation of Islam ain't tried to find you

Have a rally out in L.A., we gon' f**k it up

Home of the Rodney King riot, we don't give a f**k

Black students, ejected from your rally, what?

I'm ready to go right now, your racist ass did too much

I'm 'bout to turn Black Panther

Don't let Donald Trump win, that nigga cancer

He too rich, he ain't got the answers

He can't make decisions for this country, he gon' crash us

No, we can't be a slave for him

He got me appreciatin' Obama way more

Hey Donald, and everyone that follows

You gave us your reason to be President, but we hate yours

Know what they say when rich niggas go broke....

Look, Reagan sold coke, Obama sold hope

Donald Trump spent his trust fund money on the vote

I'm from a place where you prolly can't go

Speakin' for some people that you prolly ain't know

It's pressure built up and it's prolly gon' blow

And if we say go then they're prolly gon' go

You vote Trump then you're prolly on dope

And if you like me then you prolly ain't know

And if you been to jail you can prolly still vote

We let this nigga win, we gon' prolly feel broke

You built walls? We gon' prolly dig holes

And if your ass do win, you gon' prolly get smoked

f**k nigga, f**k you!

I will build a great, great wall on our southern border, and I will have Mexico pay for that wall. Mark my words

Hold up, I f**k with Mexicans, got a plug with Mexicans

Want a little, need a switch, who I call? A Mexican

This Comedy Central ass nigga couldn't be the President

Hold up, Nip, tell the world how you f**k with Mexicans

It wouldn't be the USA without Mexicans

And if it's time to team up, shit, let's begin

Black love, brown pride in the sets again

White people feel the same as my next of kin

If we let this nigga win, God bless the kids

God bless the kids, this nigga wicked and wigged

When me and Nip link, that's Bloods and Crips

Where your L.A. rally? We gon' crash your shit
